Atlanta Trip 2018

4/19/18 - 4/22/18

Welcome!

This pamphlet will provide you details regarding our trip to Atlanta, GA. It will go over packing, the schedule of events, rules, expectations, and suggestions. It is imperative that you and your family review this document. It will not only provide you with important information but it will improve the quality of your trip. Students should keep this with them at all times so they are aware of everything happening.

Let's Get Started!

Rules and Restrictions

[Please read this page in its entirety]

Any controlled substance (drugs or alcohol), weapons or anything else not permitted by Polk County Public Schools is strictly prohibited on this trip and all trips with the school board. We must also follow the PCSB code of student conduct for everything. This applies to dress code, fighting, social media, etc. Breaking any of the policies in any way may result in the student's removal from the trip, the band program, as well as consequences laid out by PCSB and potentially the statutes of Florida. Because we are out of state, we must treat everywhere we go as an extension of the MHS Campus.

You all are assigned to groups for Six Flags and any event where we are not together as one big group. When we separate into those groups, you must stay with your chaperone at all times. If we find you not with your group, or simply roaming by yourself, you will spend the rest of trip in the care of the directors. This is to keep you safe! It is not designed to micro-manage you. Your families have put in a lot of effort (time, money, organization!) to ensure that you have a fun and safe trip, so do not do anything to jeopardize that in any way.
